Dear Mrs Manley:-

Thanks for your letter of the 10th which just reached me today - via our Phila branch. I am writing direct to Mr W L Robb at our Chicago office and factory who will write you the information about your uniforms and just when you can expect to receive them. I doubt that you will want them for your spring training trip -- preferring to use the old ones for then -- but Mr Robb will tell you just when they can and will be shipped to you.

Am also forwarding your check for the recovered balls to our office and you can consider this letter as a receipt for same as well as your cancelled check, until such time as they send one to you.

Never fail to call on me at any time I can be of service to you and I plan and hope to be with you for one of your early games this spring.

With the very best of personal regards for both yourself and Abe, I am

Very sincerely
